

Tektronix®

25%
DISCOUNT

Investing in education is the key to the future of innovation.

Tektronix and Keithley make it easy to equip your teaching labs with industry-leading test and measurement tools by offering an increased discount to qualified education institutions.

For a limited time only, you can receive a **25% discount on all Tektronix and Keithley products**. This special offer is our way of contributing to the incredible work done by academics and researchers. Invest in the future with Tektronix and embrace this opportunity to enhance your research and educational capabilities.

Terms & Conditions

1. Offer expires 31st July 2024
2. All Tektronix products sold to educational institutions are eligible for an education discount. Qualified educational customers are defined as those who use test equipment for the sole purpose of educating and training.
3. This definition includes all non-profit educational institutes as well as trade or vocational establishments that are in the business of education and/or training as well as education research institutes.
4. Excluded from this definition are training departments/organizations within large commercial companies.
5. This 25% promotional discount cannot be combined with any other Tektronix promos; EDU eligible customers willing to benefit from other active promotions (e.g. supercharge, trade-in etc.) will receive max 15% EDU discount on the combined offer
6. Parametric Testers (PF 2505) are excluded from this offer.
7. Tektronix reserves the right to change or cancel this program at any time.
